

CONGO BIBLE PROJECT WINTER UPDATE

1 Peter 2:9...God calls us out of our darkness into his marvelous light

Dear Brothers and Sisters in Christ,

Here is the exciting update and progress we have all collectively made!!!

SEPTEMBER 2010-

Praise God— The day before the container arrived several large pallets of Bibles had been donated. The container arrived and was loaded on September 2. There was some extra room inside the container around the Bibles. “Help The Children” had received brand new donations of shoes. They generously donated them to our cause. Hundreds of shoes fit in amongst the Bibles. The container Left the Port of Los Angeles September 6, 2010. Hooray!! PRAISE GOD. Currently we are waiting for the shipping company to give us an exact date that the container will arrive in the port of Kenya-then to be trucked to the CONGO.

PRAYER NEED- Please pray for God to deliver more funds and to prepare a Godly Christian man to accompany Tony to the CONGO. God sent out his apostles in pairs (Acts 17:10). Thank you.....

OCTOBER 2010-

God answered our prayer and a Godly Christian man named Ben will accompany Tony to East Africa. He is from South Africa. Please pray for his ability to apply for VISAS, flights etc.. The Container has a tentative arrival date of Nov. 25. Tony has secured his trip plans for Nov 20-Dec. 17, 2010.

NOVEMBER 2010-

Tony has found out that the ship that holds our container is taking a slight detour to China before it heads to South Africa and then to KENYA. This news has brought much frustration. This means that the container will not arrive on time. Tony has to change his trip plans. The container will arrive close to Christmas. Many pastors in Uganda and The Congo have to contact hundreds of churches about this change in Bible Arrivals. Much confusion is had by all, but God is still good and we are praising him continually.

DECEMBER 2010-

Pastor Marion –Our main Pastor in Africa– Has become extremely ill with Kidney failure and we have all had to stop and pray for his recovery. We are praying for Pastor Marion’s full recovery and that God will raise up several other pastors to serve his role in the Bible distribution. Tony changes his trip for January 10, 2010. December 18, 2010 the container finally arrives at the Port in Kenya.

JANUARY 2011-

Many emails and conversations take place between Tony and all the PORT officials in Kenya to be able to secure the container, pay the Port taxes, and prepare for a trucking company to drive it to Uganda then to the Congo (Distance from Los Angeles to San Francisco, but on dirt roads) Pray for God’s timing of the container release, Pastor Marion’s health, Tony’s scheduled trip January 10-February 11.

This will indeed further the kingdom of God as the people of the Congo learn about the Lord first hand through God’s word. It takes special hearts like all of yours to hear from the Lord and to spread his word. So thank you and the people of Africa thank you. God is good and with many people like you this can be accomplished....

SO PLEASE Keep Praying!!!

Blessings,

The Arbini Family
